Horizon facts sheet — the ONLY source for numbers and rules

Claude Cowork for Digital Marketing · Day 1 · Use Claude Code

Checked 8 October 2026. Classroom facts sheet: before anything is published, re-check each figure at its source — CPF and tax figures change, usually every January.

Rules for every agent:

- A number, rate, age or rule that is not on this sheet is **UNVERIFIED** and must not be published.
- Quote figures exactly as written here, with the year.
- Never quote a fee amount, a client's returns or a "typical" return.
