Fact-check

Claude Cowork for Digital Marketing · Day 1 · Use Claude Code

1. List every number, age, date, rate, cap or rule in the draft.
2. Match each to data/facts-2026.md: VERIFIED (quote the row) or

   UNVERIFIED.

3. Never correct a figure from memory; UNVERIFIED claims are removed or

   sent to a person.

4. Fees, client returns and "typical" returns are always UNVERIFIED.
