Prompts — Lab 08: Content Creator: A Quick Blog Article

Claude Cowork for Digital Marketing · Day 1 · Use Claude Code

Use: Claude Code — Code mode (the </> button) in the Claude desktop app, in your horizon-studio folder. Paste each prompt as written; change only what the lab tells you to.

Easiest: copy each prompt from https://tertiarycourses.github.io/TGS-2023018659-Claude-Cowork-for-Digital-Marketing/prompts/claude/#lab-8 (one Copy button per prompt).

PROMPT — Claude Code: a quick blog

```
Write a quick blog article for Horizon and post it
to the website. Use the blog-post, sunny-voice,
fact-check and fin-compliance skills.
1. Pick one topic from strategy/storyboard.md that
   a Singaporean would search for. Use Firecrawl to
   find two current sources (CPF Board, MAS or
   MoneySense), each with its date.
2. Write 500-700 words: a title under 60
   characters, every figure from data/facts-2026.md,
   one call to action (book a free 30-minute
   chat) and the full disclaimer →
   content/blog/<slug>.md.
3. Run fact-check and fin-compliance; fix every
   issue and list each fix in one line.
4. Add it to the blog in web/site/index.html as one
   new post, built like the posts already there.
   Change nothing else on the site. Then start my
   website if it is not running, and open it.
Write for a business owner, in plain English. Save
a Word copy (.docx) of the article.
```

Ask about the result

Once a result opens, type any of these in the chat to get its meaning. Ask until it makes sense to you — then decide.

- "Summarise the article in three sentences. Who is it for?"
- "Why did you pick this topic, and who will search for it?"
- "What did the checks find, and how did you fix it?"
