Website brief — Horizon Wealth Planning (the reference for every Horizon page)

Claude Cowork for Digital Marketing · Day 2 · Use Claude Code

One self-contained page, web/site/index.html, published as a Claude artifact

(Lab 1). The artifact viewer runs it in a sandboxed frame with its own

security policy, so: no frame-busting script, no Content-Security-Policy

meta tag, fonts only from Google Fonts, every image as inline SVG, no

external scripts, no backend. Sections in order:

1. **Header** — Sunny logo + "Horizon Wealth", links (Services, Calculator,

   Reviews, Blog, FAQ, Contact) and a "Book a free chat" button.

   Hamburger menu under 768px.

2. **Hero** — headline "Friendly financial planning for sunny days and rainy ones", the pitch "We help Singapore families

   sort out retirement, CPF, insurance and investing in plain English.",

   buttons "Book a free 30-min chat" and "Try the retirement calculator",

   stat chips 15+ years · 1,200+ happy clients · S$500M planned with care,

   and Sunny saying "Hi! I'm Sunny. Let's grow your savings."

3. **Services** — six cards from services.csv (summary only; NEVER the

   INTERNAL columns).

4. **Retirement calculator** — inputs: age now, retirement age, savings so

   far (not CPF), saved each month, yearly return slider (default 4%).

   Monthly compounding. A small bar chart. The note, word for word:

   "Illustration only. Assumes a steady return and fixed monthly savings, before inflation and fees. Returns are not guaranteed and this is not financial advice."

5. **How it works** — Say hello · Get your plan · Grow together.
6. **Free Money Check-up Checklist** — not on the site yet: Lab 9 adds

   it. Email and a required PDPA consent box first, then the 10 items in

   checklist-items.md as tick boxes, with a Print button.

7. **Reviews** — the six testimonials in testimonials.csv, word for word.

8. **FAQ** — the six questions in faq.md, as an accordion.

   Blog — the newest three articles, "View all articles" for the rest;

   Lab 8 adds the team's first article.

9. **Contact** — name, email, phone, service (from services.csv), how to

   reach you (email / phone / WhatsApp), message, and a REQUIRED consent box:

   "I agree to Horizon Wealth Planning contacting me about this enquiry and

   handling my details under the Personal Data Protection Act (PDPA)."

   No backend: show a thank-you message.

10. **Footer** — Sunny Sunday email sign-up and, word for word:

    "This website is for general information only and does not constitute financial advice. Any projections are illustrative and not guaranteed. Please speak to a qualified adviser about your own situation."

Acceptance tests

- Calculator: age 30, retire 62, S$20,000 saved, S$800 a month, 4% →

  S$693,138.

- No horizontal scroll at 375px. Keyboard focus visible. Every image has

  alt text. Contact form refuses to submit without consent.
