Prompts — Lab 13: Campaign 5: Always On — the Weekly Growth Report

Claude Cowork for Digital Marketing · Day 2 · Use Claude Code

Use: Claude Code — Code mode (the </> button) in the Claude desktop app, in your horizon-studio folder. Paste each prompt as written; change only what the lab tells you to.

Easiest: copy each prompt from https://tertiarycourses.github.io/TGS-2023018659-Claude-Cowork-for-Digital-Marketing/prompts/claude/#lab-13 (one Copy button per prompt).

PROMPT A — Claude Code: do it once

```
Act as Horizon's Growth Analyst. Using Google
Drive, read campaign-results.csv in the Horizon
Studio folder. Use the campaign-report skill and
data/weekly-report-brief.md. Leave the report as a
Gmail DRAFT to me, subject "Horizon weekly growth
report" and today's date. Send nothing.
Also publish the report as an artifact: cost per chat
by channel as a chart, and the budget split.
Write for a business owner, in plain English: no
codes, IDs, file names or line numbers; start with
what it means and what I do next. Save a Word copy
(.docx) of each result.
```

PROMPT B — Claude Code: the routine

```
Run the campaign-report skill as Horizon's Growth
Analyst. Read campaign-results.csv in the Horizon
Studio folder on Google Drive and follow
weekly-report-brief.md. Leave the report as a draft
email to me in Gmail with the subject "Horizon
weekly growth report" and today's date. Do not send
it, and do not publish or approve anything.
```

Ask about the result

Once a result opens, type any of these in the chat to get its meaning. Ask until it makes sense to you — then decide.

- "What is the one decision this report asks me to make?"
- "Which channel gets us a chat most cheaply, and how sure are you?"
- "What would you change in next month's budget, and why?"
